

HHS Band Booster Club

Have you ever wondered what a football game would be like without a halftime show; or a touchdown without the school's fight song? Did you know that the HHS band is consistently rated superior in district, state and regional concert, marching and jazz competitions, and that it is well represented in yearly State and District Honor Bands? Or that the HHS Symphonic Band is frequently invited to perform at prestigious regional, national, and international conferences. We even have several past members of the HHS band playing in several college and university bands!

Please show your support for musical dedication and achievement by joining the *HHS Band Booster Club*. Your donation recognizes the importance of the band programs at Huntsville High School.

The following membership levels are available and include recognition in our newsletters and concert programs:

- Member (\$1.00 - \$24.00)
- Bronze (\$25.00 - \$49.00)
- Silver (\$50.00 - \$99.00)
- Gold (\$100 and above)

The HHS Band receives NO FUNDING from the Huntsville City School board. Band Parents and student earned fundraisers provide all of the band's financial support, but the cost of these programs continually increase. The yearly band program includes the following:

- Band marching and concert uniforms
- Flag Corps flags and supplies
- Bus transportation to athletic events and competitions
- School instrument purchase and maintenance
- Music Fees
- Festival and Competition entry fees
- Student band fess when there is a hardship qualification

The *HHS Band Booster Club* greatly depends on the generous support of all the families at Huntsville High School. Your student does not need to be a band member in order for you to join. Your membership demonstrates that you VALUE musical achievement and excellence and wish to support the Band Booster Club programs.

Send your donation (checks only please, payable to HHS Band Parents Association) by mail to:
